

REMARKS

The foregoing listing of claims replaces the prior version, and listing, of claims in the Response submitted on December 4, 2006.

The Examiner had objected to the original listing of claims on grounds that the claims, and in particular claims 41-59, did not have proper status indicators.

The present response is intended to overcome this objection by correcting the status indicators for claims 41-59, and by correcting a number of errors in the markings of other claims to show the changes being made.

Consideration and allowance of the claims is now requested.

Applicant believes that no fee is due in connection with this response. However, if a fee is required, the Commissioner is authorized to charge the fee to our Deposit Account No. 06-2425.

Dated: January 9, 2008

Respectfully submitted,
